Deb – here is the final draft lead publication from HQ – we'll get back to her with any necessary corrections. Let me know if you think there are any issues. Our items are spread throughout the document (not all of them but most!).

Lisa

Subject: Draft Lead Brochure for your review: Due: October 18 at 3:00 p.m. ET

Dear All,

Thank you so much for your quick responses and for providing all the lead highlights and photos from your Program Offices and Regions. It was awesome to see all of the activities taking place to reduce lead exposures. Unfortunately, I was not able to include all your submissions but we definitely have a very robust document.

Please find attached the draft brochure for your review. There are a couple of highlighted areas that I need more information. If you recognize the activity as yours, please fill in the highlighted area. Please review carefully because I had to rewrite or condense many items. As a note, not all activities will remain in the final because we need to make the document shorter. Thank you again!!

- Please use track changes and comments; don't worry about format but editorial and grammatical comments are welcome
- Please make sure I spelled out the acronyms correctly
- Please make sure you have cleared your submission and/or changes with AA or RA; document will be public
- Please return the document to me by **Thursday, October 18, 2018, 3:00 p.m. ET**
- Please let me know if you have any questions

Thank you,
Hayley
